SOUTHEASTERN REGIONAL VOCATIONAL-TECHNICAL HIGH SCHOOL

LEAVES OF GRASS
[Updated for 1991]

Paul K. O'Leary

SUPERINTENDENT

Dear Class of 1991:

Congratulations seniors upon the successful completion of your high school careers. The success which Southeastern is enjoying is, without question, due in large part to the conscientious efforts of a dedicated student body. We expect that the contribution to Southeastern's experience and tradition made by the Class of 1991 will significantly determine the role of the school in the years ahead.

I congratulate you and wish you the best of good fortune in the years ahead.

Paul K. O'Leary
Superintendent

John P. Avery, Ph.D.

DIRECTOR

Dear Member of the Graduating Class of 1991:

Congratulations! You have completed the first formal step in your life-long learning process. Your time spent at Southeastern has afforded you the opportunity to obtain the skills necessary for personal and career success. However, the Graduation ceremony is called Commencement. Commencement is defined as a "formal beginning," and I urge you to begin to develop those skills you have acquired here during the past four years.

As a graduate of Southeastern, you will be called upon in the future to support your alma mater. History has shown that the alumni are the strongest supporters of Southeastern, and I know that the Class of 1991 will assist us as well.

Best wishes and Godspeed to each of you.
